February 10,

Dear Junior:

Received your letter this morning; sure is good to hear from ^{home,} I'm glad that you got to spend a Saturday evening with the gang. I wish that you could stay on that job permanently.

I must say that I was a bit jealous when I heard that you were writing to boys in Brownwood, but I am glad that the boy came out all right after the wreck. Waley is doing fine and is back on the job, as for my leg, well, it's just about as good as new.

I'm going to try and come in this weekend, and if I do I'll tell you all you want to know about H. M. C. I don't know

for sure, whether I'll be able to come or not; but if I don't get to make it to dear old Houston this week you can look for me on the 22nd. There is so much to tell about this place, and I think it would be better to tell you in person.

I have never met your Aunt Mary, but I've heard so much about her that I feel that I know her. I guess you're glad she's there.

Have you seen "Tobacco Road" yet? I would like to know if it is as good as they say it is.

Well, as I've said some many times before, I guess that's all for now. Write, when you get a chance and tell everybody hello for me

Love
Billy
