

A & M COLLEGE  
OF TEXAS

March 19,

Dear Junie:

I'll be in Friday so there's not much to tell that I can't wait and tell you in person, but I promised you a letter and a Lewis always keeps his promises.

You don't know how bad I felt when y'al drove off Sun., and I felt that way for a long time afterwards. I didn't even go to supper because of it. Now you see what you do to me.

I can't understand why but I haven't received that letter from Mom till yet.

If you will please call my family and tell them I'm waiting.

I can't wait till Friday, but I guess I'll have to. Lard is coming in over the week end and the gang will be rounded up again. The 111th. Observation Sqdn. is going to be transferred to Houston on April 14. swell huh? Lard will be around a lot then.

Well kiddo I guess that's. See you Friday and we'll skate a round or two huh?

Love  
Bill
