

KELLY FIELD, TEXAS

August 3.

Dear June:

Well, I'm back at the old Army routine again. I <sup>was</sup> supposed to have had a flight today but it was called off. I guess I will fly day after tomorrow.

I'm afraid I wasn't much fun over the week-end. If I seemed to be quiet, or an old wet blanket I'm sorry. Alvin said I was cutting my sentences pretty short. I guess I can't help but worry about this course I'm taking. I'm doing ok up to now and I look forward to every week-end and then when I leave the post, I'm uneasy until I get back to work. I can't figure it out. It means so much to me to pass this course, that if something happened and I didn't make it, well I don't know. Anyway if I seemed worried I'm sorry.

If you see Beru tell him that I'll get in touch with him as soon as I can.

Tell Milton if you see him that I'm glad to hear that he is now my senior officer and that I wish I could see him.

Don't forget to change my address and tell  
all the gang hello.

Also, and this is very important. I want  
to wish you a very "Happy Birthday".

Sincerely

Billy
