

KELLY FIELD, TEXAS

July 22,

My dear June:

At last I've found a lull in my schedule. It rained this morning and we get out of drill so that gives me an hour.

Received your card from Corpus. Bet you had a good time. Did you meet any of those Ensigns while you were there? Those Navy flyers are good boys.

Tell Betty that I got her card too and that I'm going to write her tonight or tomorrow. You'll have to do a lot of telling for me if you don't mind. Tell Mom, Alvin and Allen that I didn't get sick on my mission Monday and my instructor said that I did pretty good. I was supposed to fly this morning but we were rained out. Tell Allen that I chewed his gum and I'm sure it brought me luck. Tell Mom that I got her letter yesterday and that I also got one from Aunt Lol. Tell her I'll write as soon as I can. Please.

We thought for a while that we were going to fly to Corpus last Monday but they changed course

at the last minute and we went to Temple instead.

What's this stuff I hear about this fortune teller? Did you ask her whether or not I would be successful in the Air Corps. I'm not exactly worried but this course is really rough and they wash out about 50%. So I would like to know what he said about how I would come out.

We have some radios in the barracks but we don't have time to listen to them. We get to hear a little of Lomnie Dorsey on Tuesday but that's about all we listen to during the week.

Mail boy just brought me a letter from Alvin. I get about two a week from him. I don't know how he finds time to write so much but I'm sure glad he does.

I guess that's about all there is now. I wish there was more to tell but nothing happens around here.

Oh! I did get to see "This Above All" over the week-end and it was good. Be sure to see it if you get a chance.

That's all at this time,

Excuse Writing, but I'm doing it on my knee.
