

April 29.

Honey:

I'm now in the 480th Bomb Sqdn. We moved over today. This is Thursday afternoon and I'm layin in my bunk resting. I just said to myself "You know you should write jupe & Jo here & ask. No kidding though, I'm turning over a new leaf and I'm going to write you a lot and I expect to get a lot of sweet letters in return."

I hope that you don't mind my writing to you on just any of pieces of paper but I have a time keeping myself in writing material.

Phone Mom if you please and tell her my new address. I'm writing her a letter tomorrow but you will get this one before she gets hers. Tell Alvin too if you don't mind.

Remembered you on the 29th. and missed you as usual. The 21-22 are the right and day that I'll remember the longest, though. It is a good date to think about when I'm day dreaming.

I'll be working again from now on sweet so your letters will be short and to the point but I promise you they will come regular as clockwork.

So if you will, excuse me now I
will close. Take care of yourself and
write often, huh?

Love,
Bill
