

June 13.

Dear June:-

So I didn't get a letter today from one that I wanted so much to hear from.

It was a rainy day and we staid inside. Saw Lyone Power in "Crash Dive" at the Post Theatre. It was a good show. Today was our day off.

We fly again tomorrow. Trying to get ready to leave by the first I guess you are tired of hearing me & say I'm leaving on the first.

Wrote Bob Hunter a letter to Bob Hunter today. First time I've written to him in some time.

Hope to hear from him.

Also got a letter from Shirley and one from Lurline. Shirley is flying a B-17 and do I wish I could be his Navigator. Lurline is still her same sweet talkative self.

I guess I'll let you go. Nothing much to talk about down here.

Love
Bill
