

September 14
England:

Dearest June:

I'm receiving all the mail now and I'm having lots of fun reading it. I get very good service on it. Those letters written to A. P. O. 638 have been coming thru all along I guess you and the folks misunderstood when I said I wasn't getting the mail: I meant the letters written to 12184 N. Y. Well, any way I'm getting all of it now.

Received your letter today that contained only the clipping about aviation after the war. As for me on that subject, I don't know for sure. Sometimes I think I would rather have a ranch somewhere in Texas

if I could make it pay and I think I could. Anyway I guess I'll have to wait till the war is over before I make definite plans.

I haven't written in the last few days and I'm sorry. I've been busy. I usually write when I find time, even though there isn't much to say.

I've heard from Shirley lately. He is doing fine as would be expected. I wish I could see him.

Went to see "Hello Frisco Hello" again. Didn't enjoy it as much as I did the first time. Mick says it is a kind of a picture that you should see with the lil' one and I agree with him.

I use air mail entirely now I believe it works the best. If they are coming thru o.k., I'll just keep writing air mail.

Tell Alvin hello for me I receive his letters regularly.

You write again soon please.

Love,

Bill
