Dearest June:

I just came from
the post theatre we were seeing
"How Green Was My Valley" tonight.
I enjoyed it a second time or was
it the third. The things or I should
say things that gave me the most
pleasure today were two sweet
letters from you one written on the
second and the other on Labor
Day, the sixth.

You had just returned
from the movie when you wrote the
one on the second. If it leaves you
in that kind of mood my sweet
you must see more pictures like

"The Hard Way." I like it. I wish I had been present while you wrote it.

September 23.

Was busy today and I wasn't able to finish the letter this morning as I had planned. I will mail it the first thing tomorrow though. I received two more letters from you today one of Sept. 4 and one of September 9. I can't tell you how it makes me feel to hear from you.

We had a U.S.O. show to-night which was very good. We all had a good laugh.

I'm glad you are reading of the Marauder raids in the

papers. We are proud of our bomber.
I have been over enemy territory and
I have seen the enemy flak and
I've seen his fighters that is all I
can say.

Thanks again for all the
sweet letters: you are a Darling.
Give my regards to everyone and
I'll write as often as I can.

Love
Bill
