

April 12,
England.

Sweetheart:

I finally heard from my old Room-mate after so long a time too. I guess it has been well over two years since I last heard anything about him. As you can see by the letter that he wrote to me, he has had a lot happen to him since we last saw or heard from him. He is a pilot anyway I'm glad to hear that.

Hope my letters are reaching you O.K. I've been bad about writing lately and I'm sorry. All your letters are catching up with me now.

By the way, I received the Birthday Card that your mom & Dad sent to me. Thank them for me please.

Had a v-mail from Ben a few days ago. He is still doing O.K. in New Orleans. I hope for his sake he never leaves that Post. I haven't heard from Shirley, except by letter, in quite a few days. He was O.K. when I phoned his base about a week ago but was unable to come to the phone. He was in the

air at the time.

Our tail-gunner was married a few days ago in one of the towns near here. It was a church wedding held in one the little very old churches which England is so full of. It was a very nice affair and the couple looked swell and were completely happy. After the church service we went to the wedding dinner and then a party afterward. The Brides people and friends treated us like Kings and we enjoyed ourselves no end.

I guess that's all for now, sweet. You might write Dillie if you get a chance.

Love

Bill
