Darling:

Arrived in Louisville approximately 9:00 a clock last evening. Will sign in today. First observations of Louisville leave us with little to want. Aside from the usual over crowded conditions the city has much to offer and we expect a very pleasant stay here in the heart of the Blue Grass country.

at the Derby Bar last night I had some of the finest Bonded whiskey I've ever tasted and I took possibly a little to much of a good thing.

I miss you very much, Honey

but I still believe that ~~its~~ is  
better thi way and I'll let you  
know for sure when I find  
out just how long my stay  
will be.

Give my love to the folks  
and for your self kisses,

Bill
