Dear Mom + Bet:

Well, here it is Friday night again; this week has sure passed in a hurry which doesn't make me mad at all. It made me a little how sick tonight about six o'clock when I realized that at that time last week, I was on my way to Houston.

Our grades come out Monday; I guess you will get a copy of them about Wed., or Thursday. They are pretty good, I think. I got letters from June, Shirley, Margaret, and Alvin today, all at once. I have a lot of studying to do this

week-end. So I won't have much time to get home sick. We are having swell spring weather here and that makes everything better.

I'm going down to see the man, about putting in my application for student-labor for next year, tomorrow.

One of the Aggie seniors named Law was killed yesterday or to-day when he fell off of an oil derrick. It didn't happen here; I guess you've read about it, anyway, we are going to have silver taps at eleven. It will be the second silver taps I have stood in my life. The last one was for that Sgt. in the 111th.

Well I guess that's about all for now. I'll see you on the 11th. Write soon.

Love
Billy
